Rental Casket Agreement

I/We have rented a Casket from GardenHill Funeral Directors Service, Inc. for the funeral service of:

I/We understand that the casket we will be renting, has been used previously and is solely used for the purpose of renting. I realize GardenHill Funeral Directors Service, Inc. immediately following the funeral service will reclaim the casket.

I/We understand that after the funeral service, the funeral director removes the inner container from the outer casket shell. The inner container holding the body is then transported to the place of final disposition, usually a crematorium.

I/We authorize GardenHill Funeral Directors Service, Inc. to remove and/or transfer into an alternative container, which has been selected for the final disposition or cremation of the above named deceased.
